Hi Kristen:

Thanks for the comments. I do have two requests:

- Please make your changes directly into the document text rather than as comments; I will be less likely to misstate or misinterpret your edits that way.
- Since Dave Larsen is a part of this Technical Group, please copy him when you make suggestions for edits.

Feel free to contact me if you have any questions. Thanks.

We are committed to service excellence.

Good Afternoon:

Attached are my notes from Friday's call. Please share comments/corrections with the group. I will finalize the notes by October 3. Thanks!

We are committed to service excellence.
